

Exceptional Traction and Grip - Long Service Life

GDM676

On/Off Road

Features & Benefits:

- Intertwining tread pattern with deep grooves - Provides excellent traction and braking for safer driving - Better traction and braking
- Sipe design on tread - Strengthens wet grip performance - Safety and better stability and driving comfort
- Big tread block layout - Resists puncturing and tearing - Extended tyre life
- Reinforced casing and bead structure - Improves durability of casing and bead, increasing tyre damage resistance from heavy load operation conditions - Extended tyre life
- Special anti cut and chip compound - Delivers excellent protection from tread cuts and damage in aggressive road and off-road conditions - Extended tyre life
