

# Rugged on and off-road options for the adventurous and fun-loving driver

## Giti4x4 Series AT100

An all-terrain tyre for light trucks and SUVs that allow you to take control anywhere you need to go - whether on highways or off-road.

*An all-terrain tyre for Light Trucks and SUV Vehicles*

### • Enhanced Tread Compound

- **Safety and Durability** - Provides excellent wet and dry grip, longer tread life and improved cut / chip resistance.

### • Interlocked Tread Blocks and S-shaped Central Rib

- **Safety**- Excellent handling, stability and grip on both soft and hard surfaces.

### • 3D Grooves with Chamfered Edges

- **Durability** - Self-cleaning tread design for consistent off-road performances, while reducing stone holding / drilling.

### • Five-Pitch Pattern Technology

- **Comfort** - Helps reduce road noise for quieter and more comfortable ride.

### • Rim Protector

- **Durability** - Helps protect wheel from curb damage.
