

Superior Traction - Longer Mileage

GDR655

Highway & Regional

Features & Benefits:

- Specially arranged block and sipe angle - Enhanced traction driving performance - Better traction and braking
- Four belt construction - Increases casing and tread stiffness, minimizing tyre deformation for longer wear - Delivers longer mileage
- Widened tread width design - Large tread volume area for extended wear life - Delivers longer mileage
- Extended tread depth - Higher tread volume for longer mileage driving capabilities - Delivers longer mileage
- GiTi specially-formulated tread compound - Improved wear resistance of tread - Delivers longer mileage
- Uniquely designed inter-dependant blocks as of tread pattern centre - Limits block movement, effectively reducing abnormal wear - Delivers longer mileage
- FEA bead construction optimization concept for bead construction - Optimizes and uniformly distributes load pressure to the bead, minimizing damage - Extended tyre life

Tyre Size	PR	Load & Speed	Speed Rating	TL	Approved Rim	Outer Diameter (mm)	Section Width	Tread Depth (mm)	Max Load (kg)	kPa	PSI

TRIPLE GUARANTEE *

- Free Replacement guarantee during 1st 50% wear.
- Generous pro-rata replacement after 50% wear.
- Casing guarantee through life of second retread. * Conditions apply.
