

# Driving Freedom | No Limit **AT70ns**

## Giti4x4 AT70

**Rugged on and off-road options for the adventurous and fun-loving driver.**

**Specifically designed for SUV / 4x4 vehicles, with driving capabilities for poor road conditions.**

### *A More Robust Tyre*

- Track-stylish pattern design contributes to improved traffic ability
- Reinforced carcass technology ensures better anti-puncture character.

| MATERIAL CODE | SIZE      | RIM DIA     | PR          | LI      | SR      | RWL |
|---------------|-----------|-------------|-------------|---------|---------|-----|
| 100A3020      | 15"       | LT235/75R15 | 6PR         | 104/101 | S       | RWL |
| 100A3021      | 16"       | LT235/70R16 | 6PR         | 104/101 | S       | RWL |
| 100A3023      |           | LT245/70R16 | 6PR         | 111/109 | S       | RWL |
| 100A3025      |           | LT265/70R16 | 8PR         | 117/114 | S       | RWL |
| 100A3024      |           | LT245/75R16 | 10PR        | 120/116 | S       | RWL |
| 100A3022      |           | 17"         | LT265/65R17 | 10PR    | 120/117 | S   |
| 100A3028      | 285/65R17 |             |             | 116     | S       | RWL |
| 100A3029      | 245/75R17 |             |             | 112     | T       | RWL |
| 100A3026      | 18"       | 265/60R18   |             | 110     | S       | RWL |
