## Giti4x4 HT152

A new and unique pattern design that focuses on top mileage, handling and durability for SUV and 4x4 vehicles.

Giti 4x4 HT152 is a next-generation highway-terrain tyre with top technology and strong casing to go wherever you need.

### *Designed for SUV/4x4 Vehicles*

#### • Superior Handling on Wet Ground

- Tread compound with the addition of functional resin and highly dispersible white carbon black - Enhanced grip on wet ground
- Extra-wide tread design - Larger contact area

#### • Strong Casing for Greater Safety

- Double-layer casing structure - Stronger casing for high impact resistance
- Protection bar - Prevents sidewall abrasion

#### • High Wear resistance for Long Mileage

- Main groove depth up to 9.0mm - Increased wear volume
- Use of highly elastic rubber system and addition of rubber-reinforcing carbon black - Improved wear resistance of compound
