

Resist Irregular Wear - Longer Mileage - Better in Handling

GSR225

For trucks, steer / All position

Light Truck / All position

Long Haul

Regional

Highway & Regional

Features & Benefits:

- **Four belt construction** - Increases casing and tread stiffness, minimizing tyre deformation for longer wear - **Delivers longer mileage**
- **Widened tread layout** - Large tread volume for-extended wear life - **Delivers longer mileage**
- **GiTi specially-formulated tread compound** - Improved wear resistance of tread - **Delivers longer mileage**
- **Resilient four vertical groove and zig-zag bottom design** - Provides better handling and controllability of vehicle - **Improved stability and driving comfort**
- **Multiple sipes along the side of groove** - Self cleaning capability and higher resistance to damage from road hazards - **Extended tyre life**
- **FEA bead construction optimization concept for bead construction** - Optimizes and uniformly distributes load pressure to the bead, minimizing damage - **Extended tyre life**

TRIPLE GUARANTEE *

- Free Replacement guarantee during 1st 50% wear.
- Generous pro-rata replacement after 50% wear.
- Casing guarantee through life of second retread. * Conditions apply.
